(b) if so, the reasons for violating master plan of Delhi by allowing such construction; and

(c) whether Government propose to look into the matter and prepare a legal framework so as to save Lutyen's Delhi?

THE MINISTER OF URBAN DEVELOPMENT AND POVERTY ALLEVIATION (SHRI ANANTH KUMAR): (a) No, Sir.

(b) MPD-2001 came into force w.e.f. 1.8.1990. As per this MPD, land use of plot No. 30 reffered to in the news item was classified as 'Government office'. By a Notification on 29.10.1990, the land use was changed to 'Green'. It has now been proposed to restore the land use to the original classification as 'Government office'. A public notice under section 11-A/DDA Act 1957 has been issued and due process will be followed before effecting the change

(c) The Development in the LBZ is guided by the 1988 guidelines, which aims at low intensity of development in this area. A specific Committee called the Central Vista Committee has been constituted for this purpose to ensure that necessary development are facilitated without adversely affecting the overall urban design and form of the area.

Criteria for selection of towns for AUWSP

*570. SHRI K.M. KHAN: Will the Minister of URBAN DEVELOPMENT AND POVERTY ALLEVIATION be pleased to state:

(a) the total number of schemes approved under Accelerated Urban Water Supply Programme (AUWSP) during the year 2001-2002;

(b) the number of towns in the country which were identified/ selected and benefited by the scheme, State-wise;

(c) the criteria for selection of towns under the scheme; and

(d) the total amount sanctioned and spent for various schemes approved under the programme during the year ending 31st March, 2002?

THE MINISTER OF URBAN DEVELOPMENT AND POVERTY ALLEVIATION (SHRI ANANTH KUMAR): (a) During the year 2001-02, water supply schemes for 85 towns were approved under AUWSP.

(b) State-wise details of number of towns identified/selected and benefited under the programme are given in the Statement-I (*see* below).

(c) As per guidelines of AUWSP, the selection of towns is decided by the State Level Selection Committee constituted by the respective State

Government. While selecting the towns, priority is to be given to the towns with special problems like:

(i) Very low per capita supply;

(ii) Very distant or deep water source;

(iii) Drought-prone areas;

(iv) Excess salinity, flouride, iron, arsenic content in the water source;

(v) High incidence of water borne diseases.

(d) State-wise details of fund released under AUWSP during the year 2001-02 are given in Statement-II.
